Promotion prosects in the Army

†815. SHRI PYARELAL KHANDELWAL: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that Army is far behind in the matter of promotion as compared to civil services;

(b) if not, the comparative details in this regard;

(c) whether it is also a fact that the youths are disinclined to join Army due to difficult situations and lack of opportunities as well; and

(d) if so, the details of the efforts being made by Government in this regard?

THE MINISTER OF DEFENCE (SHRI PRANAB MUKHERJEE): (a) and (b) There is no comparison between the Army and civil services as the terms and conditions of service are entirely different.

(c) Sustained efforts, like Image Projection Campaigns and seminars and lectures in schools and colleges, are made to motivate the youth to join the Army. As the economy progresses and new avenues open up to the youth they would prefer the easier option first.

(d) The recommendations of Ajai Vikram Singh Committee are already under consideration of the Government. A part of these recommendations have since been accepted with respect to Non Select Ranks and also implemented. Similarly, an Assured Career Progression Scheme has been implemented for Other Ranks.
